

Curb Side Drop off and Pick up Procedures

- Drop off is between 8:45am-9:15am for the AM session
- Pick up will be between 11:45am –12:15pm for the AM session
- When you arrive, EVERYONE should remain in the vehicle. Pull up to where our staff is waiting and give your child's name. Our staff will approach the vehicle, you will roll the window down where the child is in the car and our staff will sign your child in for the day. Once the child is signed in, they can exit the vehicle and enter camp.
- At pickup, when you pull up, our staff will ask your child's name and they will get your child to meet you at your car
- Please be sure to drive safely and cautiously in the park as your child's safety is very important to us. Also please make sure you do not block any intersections or roads that other vehicles may be using to enter or exit the parking lot

The map below shows how to pull in and where to stop for Drop off and Pick up. Stop at the X on the map to drop off and pick up
